jumbo rolls

With a variety of printing capabilities, sizes, paper weights, and punched and perforated configurations, PrintWorks Professional grows with you as your roll-fed printing needs evolve. Blank and custom-printed Jumbo Rolls are designed for optimal performance on high-speed laser and inkjet roll-fed printers.

product applications

- Statements and Reminders
- Insurance Policies
- Prospectuses
- Utility, Phone, and Credit Card Billing
- Annual Reports
- 401K Summaries

Paper
- Compatible with continuous roll-fed and laser printers
- Sourced from 100% US mill suppliers
- Recycled paper available

Punch & Perf Configurations
- Side ¼" file holes
- Pin-feed holes and control punches
- Horizontal and vertical perfs: marginal and internal

Dimensions
- Roll diameters up to 50"
- 3" and 6" cores
- 11" repeats

Printing Capabilities
- UV Printing
- Up to 2 colors wet offset
- In-house design and prepress

Storage & Distribution
Our nationwide storage and distribution facilities ensure a 99% in-stock and on-time delivery rate.

Quality Packaging
Each PrintWorks Professional Jumbo Roll is packaged with multiple quality assurance safeguards:

UNWIND tape and stamp are marked on each side of roll

Unique ID sticker is visible on the inner core

ID label and instructions are on front of each roll

Heavy-duty plastic strapping bands provide maximum strength

Chocks on both sides of pallet hold rolls in place

healthcare forms

The Centers for Medicare and Medicaid Services (CMS) healthcare forms are required for all federal insurance claims and by many private healthcare organizations. These preprinted continuous and cut size forms speed up claims processing and meet all government regulations.

product applications

- Medicare/Medicaid Insurance Claims
- Private Healthcare Claims

security paper

DocuGard™

Advanced technology has made fraud easier for criminals, but paper made with multiple security features can help prevent document forgery. DocuGard Medical and Multi-Purpose Security Paper contains up to 10 security features per sheet, providing protection against chemical, digital, and manual alterations. All DocuGard Security Papers exceed the guidelines set by the Centers for Medicare and Medicaid Services (CMS).

packing paper

ELEMENTREE®

Elementree Void Fill and Bubble Paper are the sustainable mailing, shipping, and storage alternative to plastic air pillows, polystyrene foam, and plastic bubble wrap. From earth-conscious material sourcing to easy end-user recycling, Elementree Packing Papers are created with both the environment and customer in mind from start to finish. Recyclable, biodegradable, and How2Recycle certified.

product applications

- Ideal for moving, storage, shipping, and retail transport packaging
- Replaces Styrofoam, plastic air pillows, and bubble wrap
- Designed for businesses and storefronts with limited storage/warehouse space

Fanfold with 11" perfs
100% post-consumer paper

Fanfold with 12" perfs
Nested bubble design

void fill

Elementree Fanfold Packing Paper is the compact and cost-effective sustainable packing alternative made from 100% post-consumer recycled paper. Perforated sheets of durable 35# kraft paper quickly tear by hand for customizable wrapping options, and help provide shock-absorbent protection for fragile items.

bubble paper

Elementree Bubble Paper is the foremost sustainable alternative to plastic bubble wrap. Durable 12"x 250' kraft bubble paper ensures protective cushioning to safely move, store, ship, and transport goods. Repeating 12" perforations allow for quick tears and customizable wrap sizes.

mailing envelopes

Elementree Mailing and Padded Envelopes are a high-quality, eco-friendly alternative to plastic poly bags and bubble mailers. Featuring easy-seal closures and tear strips, envelopes are user-friendly and contain subtle print for a clean look and feel. Recyclable, biodegradable, and How2Recycle certified. *Available in multiple sizes and quantities.*

product applications

- Ideal for mailing and shipping fragile goods
- Replaces poly mailers and plastic bubble mailers
- Ideal mailing envelopes for small business owners

Easy-seal closure and tear strip
Water resistant
2½" expandable gusset

Easy-seal closure and tear strip
Strong, heat-sealed seams
Eco-friendly cushioning

expandable mailer

Elementree Expandable Mailers are the sustainable replacement for plastic poly mailers that are equally effective and better for the environment. Envelopes are made with durable 70# double-walled kraft paper and are water resistant to protect goods during shipment. Expandable Mailers feature a 2½" gusset.

padded mailer

Elementree Padded Mailers are the eco-friendly replacement for padded bubble mailers that protect fragile goods during shipment. Padded Mailers contain innovative sustainable inner cushioning and have heat sealed edges on sides and bottom.
